CIVIC WORK:

- Accredited as Honorary Consul for the Republic of Poland beginning in 2012.
- Spearheaded "sistership" between Chelm, Poland and Knoxville, Tennessee through the Sister Cities International organization with Mayor Victor Ashe. As a part of this program, Dr. Pienkowski organized two visits of American delegations composed of Mayor Ashe, with business leaders and community leaders to Poland. In reciprocity, a visit was organized to Knoxville, Tennessee, the delegation from Chelm, Poland. Organization of a student exchange of students from Poland and Japan with American students visiting.
- Established and organized Sister Cities International of Knoxville and served as the President for five years, organizing exchange between Knoxville, Tennessee and five "sistership" cities.
- Facilitated establishment of first University of Chelm and later arranged collaboration of this university with University of Tennessee, Knoxville. Dr. Pienkowski then organized an international conference at the University of Chelm with visiting American professors (visiting from University of Tennessee) presenting scientific papers.
- Organized visit of the Friendship Force Organization (a local Knoxville, Tennessee group that strives to build "global goodwill through personal friendships") to Poland.
- Organized visit of Emory University faculty & students to Poland to promote educational and cultural exchange.
- Facilitated collaborative arrangement between Krakow University of Technology, Department of Architecture and University of Tennessee Architecture School, which involved exchange of students/faculty for the last 15 years.
- Directing of the "Marek Maria Pienkowski Foundation," Dr. Pienkowski organized student/faculty exchange between UT Art School & Poznan Academy of Fine Arts and Wroclaw Academy of Fine Arts (occurring bi-annually). 10+ years of art & cultural development of young artists with annual workshops in Poland, several exhibitions, and sponsored trips for Polish art students to the United States at the University of Tennessee, Knoxville Art School.

Annually selects and awards a winner for "Stefan Pienkowski Scientific Award (in honor of Professor Stefan Pienkowski)," which is issued by the University of Warsaw, for "Outstanding Scientific Achievement in Poland."

Dr. Pienkowski participates in the selection of the winner of "Marek Maria Pienkowski Award," which is given annually to an "Outstanding First Year Student in the Faculty of Painting" and given by the Academy of Fine Arts in Warsaw.

CIVIC WORK (Continued):

- Organized collaborative project between University of Tennessee Department of Animal Science and the University of Agriculture in Lublin to introduce to Poland large animals embryo transfer technology.
- Participation in the Polish Valentine's Theatre (in Knoxville, Tennessee).
- Member - Catholic Church

PERSONAL DATA:

Date and Place of Birth: September 8, 1945, Lodz, Poland.

Polish Citizen since birth.

United States Citizen 1980.

Four children.

Interests: Sailing, flying (licensed pilot), tennis, architecture, and music.
